Up to 15 guests: \$230 (mbr.) / \$270 (pp)

What's in a Splash Party?

Water Fun & Games

Our crystal-clear water is your ticket to an amazing party! Whether the outside weather is hot & humid or freezing cold, nothing beats a refreshing romp in our inviting water paradise.

Splash Specialist

All of our parties include the services of a Cornerstone Splash Specialist. Our Splash Specialist will manage the party flow, handle safety procedures, provide lots of fun toys, and lead the kids in water games for a portion of your pool time.

Party Room (Optional)

After your time in the pool, Cornerstone's party room is a great place to enjoy cake & games. Our large, bright party room has plenty of tables & chairs, a sink, and its own bathroom.

Safety

At Cornerstone, safety is paramount. Before anyone gets in the water, we conduct a swim test and provide each guest with a color-coded bracelet (indicating shallow/deep water clearance). Although we do require you to provide adequate adult supervision for your guests, Cornerstone's pools are always monitored by a certified lifeguard.

Reservation Details

Adult Supervision

Although lifeguards are on duty at all times at Cornerstone, we do require adequate adult supervision.

An adult should accompany all non-swimmers and all children under age 6 on a 1:1 basis. For other children, we recommend a 1:5 ratio.

Supervising adults should be dressed to swim, prepared to enter the water, and remain in close proximity to the children.

Guests

Parties during our normal operating hours are strictly limited to 15 guests in the water. However, we place no restriction on pool spectators and party room attendees (within reason, of course).

Payment

Parties must be pre-paid in full to secure the reservation. We are unable to offer refunds in the event of cancellation. Changes in date/time may be possible, subject to a \$50 rescheduling fee, up to 7 days in advance.

Pool Space

You will have pool space reserved on a non-exclusive basis. So while there will be other swimmers in the water at the same time, your reservation ensures that no other events will get in your way.

Important Pool Rules

Swim caps are required for all swimmers with hair longer than 3 inches. A variety of caps are available for purchase, starting under \$3.

All swimmers must shower before swimming.

Street shoes and clothes are not allowed on the pool deck. Parents who don't wish to swim should plan to watch from the spectator area.

Only Cornerstone's party toys are allowed. Please do not bring additional toys.

Food & Beverage

Bring whatever food/drink/cake you'd like, or have it delivered. If you wish, we can provide a list of area vendors. Just remember to bring your own cake knife, plates, cups, forks, napkins, etc. (except for Gold Medal Parties).

Invitations

Complimentary pre-printed invitations (with directions & important reminders for your guests) are available for your use. Or, our no-hassle invitation service is available for an additional fee (included in the Gold package).

More Guests?

If you're having a really BIG party, don't despair—Cornerstone can accommodate groups as large as 250 people during specific days/times (generally, hours when we would otherwise be closed, such as Saturday nights and Sunday mornings). Pricing is based on the number of guests—just ask us for a quote and for specific availability.
